Location

- De Parys Avenue is one of the grandest and most recognisable residential roads in Bedford, well known for its large Victorian properties and broad tree lined footpaths.
- The properties on the avenue are predominantly residential, mostly detached or semi detached late Victorian or Edwardian Villas. Some homes remain private individual dwellings whilst others have been converted into apartments and commercial properties.
- Bedford benefits from excellent road and rail links with the A421 to the south linking the A1 to the M1 at Junction 13 and the mainline railway station is under one mile from the property offering direct services to London St Pancras.
